AUDITOR'S REPORT

March 7, 1933

This is to certify that I have this day completed an audit of the books of the Selectmen, Treasurer and the Treasurer of School Fund for the year ending March 6, 1933, and find that the accounts are in their proper order and that the unexpended balances are either on deposit in banks or in cash held by the Treasurer.

The above statement is correct to the best of my knowledge and belief.
